[Note: The following boxes contain material divided into two subseries: Preparation of Reply and Inter-Office Hold. The material consists of referral sheets, or copies used as referral sheets, to indicate that a letter was referred to another office, agency or department for action or preparation of reply. This material is a part of Central Files and was placed at the end of the Official File for convenience, although the correspondence referred to had not been associated with a particular series in the Central Files. The material is arranged alphabetically by name of organization, individual or subject in each subseries.]
