My darling little Wife

My Peg. What a world of meaning
in two words. I love you Peg with all
my heart, my body & my soul. I can't realize
that we are parting. Its hard to leave
the best little woman in all the world.
You looked superb honey and your image
is indelibly impressed on my mind. How
I love you! And how proud I am of you.
And I was so proud of you yesterday. You are
a true tender true little woman Peg dear and
we will have grand times when I return.
Everything I do will be for Peg. And how
my Peg loves her John. I can not tell
you how happy I am. I am happy
that we married before I left as I am
sure that I couldn't have left Eileen O'Brien
behind. My wife, just think. Why I can't believe
it. It seems all a dream. Its good to be
true. I have been thinking of you every
moment since we left. And our short
time together just you & I. It seems like
a wonderful dream. Peg my heart yearns
for you. I can't write any more honey
you mean too much to me I can't bear
to write just now. I want to be alone
& to sit & think of you. All my love
Your own John
