Active in the Eisenhower Campaign in Washington, 1950-52.

DESCRIPTION: Interview #1. Republican party activities in the state of Washington: opinion of Wendell Willkie; election as chairman of the King County Republican Central Committee; his own Republican philosophy; activities he organized in King County for the Republican party. Activities in the Eisenhower campaign in Washington: deciding in 1950 to back DDE; getting the supporters of Robert Taft to open the Republican caucuses in King County to the general public; comments on how DDE carried the county convention, and then the state convention; importance of Governor Arthur Langlie; anecdotes about DDE.

[Eisenhower Library Oral History Project, interview by Maclyn Burg, 1972]
