Dear Bill:

Thanks very much for your fine letter of the 28th. I certainly agree with you that this subject should be tackled in one way or another and I like your suggestion a lot.

I know that Justice feels very strongly about this whole matter, but there is some question as to an official statement. There is, of course, a constitutional issue -- states' rights -- and even though a statement would not violate this, it makes the problem very touchy.

However, I am going to submit your thoughts to Justice and go over it all again. I will get in touch with you immediately if anything is forthcoming.

With warm regard,

Sincerely,

Maxwell M. Rabb
