

FORNEY'S STUDIO

The Forney Studio, located at the corner of Third and Broadway became established six years ago and has since been the headquarters among the particular and discriminating people. The parlor and work rooms are decorated and hung with beautiful examples of the photographic art and special attention is given to high class portrait work. A firmly established and well merited reputation has been gained among all classes. Work is turned out promptly at reasonable prices. The proprietor, Mr. Walter Forney, was born in Missouri in 1882 and received his education in Kansas. He is a highly honored member of the Maccabees* and is highly esteemed in this community.
