MEMORANDUM FOR BRIG. GEN. A. J. GOODPASTER  
THE WHITE HOUSE

Subject: Message from Chancellor Adenauer

Telegram 418 of August 14 from American Embassy Bonn forwarded the text of a message from Chancellor Adenauer to the President extending congratulations on the Polar voyage of the "Nautilus".

The Department believes that a Presidential acknowledgement would be entirely appropriate and that such a gesture would be appreciated by Chancellor Adenauer. I am enclosing for your approval a suggested reply expressing the President's appreciation for the Chancellor's message. If this is approved, I will be glad to have it conveyed to Chancellor Adenauer by our Embassy at Bonn.
