Dear John:

I can't tell you how pleased I was to receive the letter you wrote me recently in Braille. I certainly admire the skill that you must have had to master such a difficult art.

x pp7 28-9 "B"

It was nice of you to send me a little speech to help win the election. Your good luck wishes for November mean a lot to me too, and I am very grateful to you for them. I wish I were able to write back to you in Braille also, but I am sure that one of your teachers will be happy to read this to you.

x pp7 27-B-1

I hope you're enjoying your schoolwork and are taking advantage of the fine opportunity that you must have in Watertown. Many thanks again for being so thoughtful.

x pp7 22-c

With best wishes,

Sincerely,

(Sgd.) DWIGHT D. EISENHOWER
