

CUTHBERT'S MILLINERY STORE

One of the most popular and largely patronized millinery establishments of this city is that of Miss Florence Cuthbert, located on North Broadway. This place was established five years ago and has gained public approval and popularity for the goods sold the last seasons, owing to their late models, correct workmanship, beautiful trimmings, and the moderate prices. The lady who wishes the latest modern hat, made in the correct style at reasonable prices, goes out of her way to find this place, where a complete line of the latest styles in millinery, trimmings, etc. are handled at all times. For matters of taste in trimming and making up hats, Miss Cuthbert is without a peer, having been engaged in this line of business during her entire business life. Seven experienced milliners are employed. Miss Cuthbert was born in Kansas. She is a lady of a pleasing personality and is highly esteemed in this community.
