Dear Mrs. Moulton,

When I saw Ginger and Ellis in Europe, they said you would be at the convention in Chicago as the National Committeewoman for New Mexico. I am going to be in Chicago for the convention and will be at the Drake Hotel not later than July 6 and hope to arrive on July 5.

Since I have absolutely no official position, chances are I will see and hear nothing concerning the activities of the delegates but I am going to attend my first convention and try to find a way to get in on some of the activities.

I am fairly certain I could have been named an alternate from California if I had not come out openly for General Eisenhower.

Reply?  It would be nice to see you while in Chicago so if you will let me know at 435 East 52nd Street, New York City, where you will be, I will give you a call and maybe we can have dinner or something together.

I hope you are for Eisenhower and that he will be nominated.

Affectionate regards,

Jacqueline Cochran
