SEAMANS

SEAMANS, ROBERT C., Jr. (OH-315) 21 pages PRCQ

Associated with National Advisory Committee for Aeronautics (NACA); Associate Administrator, 1960-65, and Deputy Administrator, 1965-68, National Aeronautics and Space Administration, (NASA).

DESCRIPTION: Interview #1. His work in the 1940's on aerodynamic stability and control, and his first contacts with NACA. How NACA was transformed into NASA. NASA's relationship with the Department of Defense. Comments on many of the prominent men and organizations he worked with at NACA and NASA, including Abe Silverstein and the Jet Propulsion Laboratory (JPL), and Bob Gilruth and Project Mercury.

[Interview by Walter Bonney, 1973]
